

# MODEL 419

## LED DOME LAMP

*Highly styled LED Dome Lamp with white and cyan light is easy on the eyes in night driving situations.*

This Model 419 LED Dome Lamp is highly stylized with a bright chrome-finished trim ring and a tough, polycarbonate lens. The lamp is available with White or a combination of White and Cyan (blue) LEDs for comfortable night-driving. LEDs last the life of the vehicle and draw very little current making the lamp cost-effective for both daily running and vehicle maintenance. This lamp will add polish to a variety of vehicles.

### VEHICLE APPLICATIONS
