

Model 523

MODEL 522-523-524

LED SCENE LAMP

Light up the night with our LED Scene Lamp!

When maximum light with the broadest wash is required, rely on our LED Scene Lamp. This lamp is perfect for night-time operations including marine, construction, and agriculture. Also ideal for mining applications. Equipment vibration that contributes to bulb failures is not an issue with these LEDs, so reliable service is the standard with the LED Scene Lamp. The Model 522 is bottom mounted, Model 523 is side mounted (pictured), and the Model 524 is panel flush mounted.

VEHICLE APPLICATIONS

- Marine
- Construction
- Agriculture
- Mining

FEATURES

- 3,900 effective lumens!
- 4-year warranty
- 3 mounting options

MODEL NUMBER

Model 522-12V or 24V
 Model 523-12V or 24V
 Model 524-12V or 24V

DESCRIPTION

LED Scene Lamp – Bottom Mount
 LED Scene Lamp – Side Mount (pictured)
