Product List

Model Number	Description
52-12V	12V LED Portable Scene Light System

Features & Benefits

- **Lamp head (Model 522) must be ordered separately**
- Available in a 12V DC configuration
- 3 great ways to use this system:
 - Fully collapsed in carry mode, the Model 52 makes a great flashlight
 - Flip up the telescopic mast to Quick Extend position and you've got a highly effective work light
 - Fully extend the mast and combine with the Model 79 tripod for flood light illumination
- Quick Loc connection allows for fast setup & take down
- Heavy-duty, non-conductive housing & mast provide great durability
- Optional Accessories can be purchased separately:
 - Rapid charging unit
 - Model 79 tripod system
