APPLICATIONS

ADDITIONAL INFORMATION

Headlight must be securely mounted and properly aimed such that the beam pattern cut off line complies with all applicable regulations. If you are not familiar with the legal requirements for aiming your headlights, please see a professional service provider. We recommend that headlights are aimed with a headlight aiming system for proper alignment.

Fitment

The Model 8695 Adaptive offers a dynamically adaptive LED headlight designed to fit all Victory® motorcycles built with their one-of-a-kind diamond shaped headlight. Victory is a registered trademark of Polaris Industries, Inc.

Front Position

This light is a requirement outside the United States. If your bike is operated in the United States you do not need to connect this wire unless your bike is equipped with a front position light.
