

# MODEL 260

## REAR COMBINATION LIGHT

### LIGHTER, BRIGHTER & BETTER

Sleek, stylish and convenient, the LED Rear Combination Lights are about half the weight of traditional assemblies, but with much more functionality. Use them to clearly let others know you're working, stopping, turning, reversing or simply slicing through the fog. With easy assembly, including multiple mounting options and lenses, these compact RCLs are perfect for every task and application.

Model 260 DOT/SAE RCL Red Lens

Model 260 ECE RCL Clear Lens
