

MODEL 407

MAXIMUM VISIBILITY, MINIMUM SPACE

Slim, Bright, & Built to Last

The new Model 407 delivers high-performance LED strobe lighting engineered for rugged, industrial environments. With a slim, lightweight profile of less than 2.5" in height, this strobe light maximizes functionality while fitting seamlessly into compact spaces.

In addition to its performance, the Model 407 is a cost-effective solution. It is designed to reduce operational costs while maintaining high levels of efficiency. The updated style makes installation straightforward and adaptable to various vehicle types, increasing its versatility.

MODEL 407

IMPROVING SAFETY

The new Model 407 LED Strobe Light brings bright, attention-grabbing flashes that cut through low visibility conditions, making it the ultimate solution for material handling, construction, mining, forestry, agriculture and other industrial applications.

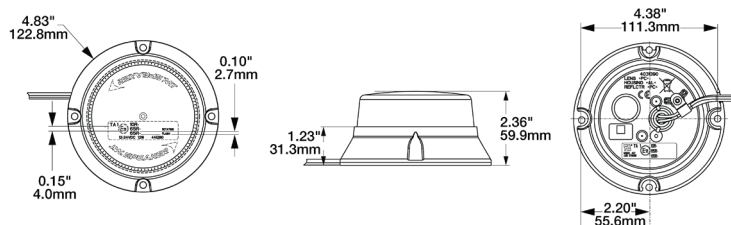

Exceptional Performance

The updated Model 407 is the perfect strobe light solution for industrial vehicles. Offering durability, flexibility, and compliance with the latest safety regulations, its compact design ensures powerful, reliable strobe lighting in any condition.

The Model 407 is built to withstand the most demanding environments. Constructed with durable, die-cast aluminium housing and a weatherproof secure seal, making it ideal for the most extreme worksite. Designed to the most stringent standards, this LED strobe light meets requirements of SAE J845 Class 1 and Reg 65 Class 1, ensuring compliance with the highest industry standards.

Key Specifications:

- SAE J845 Class 1
- ECE Reg. 65 Class 1 & ECE Reg. 10
- Sealed to IP67 & IP69K
- 4 Flash Patterns: Beacon, Single, Dual, & Quad Flash
- Low Profile Mount
- Variety of Mounting Options

Model 407 Round Strobe LED Lights

| Part No. | Description |
|----------|---|
| 0647231 | 12-24V LED Class I ECE/SAE Amber Strobe Light |
| 0647271 | 12-24V LED Class I ECE/SAE Amber Strobe Light with Magnet Mount |
| 0647241 | 12-24V LED Class I SAE Blue Strobe Light |
| 0647251 | 12-24V LED Class I SAE Red Strobe Light |
| 0647261 | 12-24V LED Class I SAE Green Strobe Light |
| 0647291 | 12-24V LED Class I SAE Green Strobe Light with Magnet Mount |
