

# MODEL 4416

## LED HANDHELD WORK LIGHT KIT

COMPACT. POWERFUL. PORTABLE.

### The Power is in Your Hands.

J.W. Speaker's Model 4416 handheld work light is designed to survive the rigors of real work. Off-roading, construction, mining—you name it, it's ready. It is powered by your vehicle and comes standard with a vehicle power cord and an adapter with battery clips. The low profile design and compact size makes it easy to use and store in your vehicle.

The Model 4416 features a powerful spot beam pattern to give you light exactly where you need it. Kits now available in black or camouflage.

The Model 4416 comes with power cords to run off your vehicle's power.

The Model 4416 LED handheld work light is available now at your authorized J.W. Speaker dealer. For more information & technical specifications, go to [www.jwspeaker.com](http://www.jwspeaker.com)
