MODEL 4417

SHINE BRIGHTER. WORK SMARTER.

Constructed with robust aluminium housing and a tough polycarbonate lens, the Model 4417 is designed to excel in the most demanding work sites. Suitable in various environments, such as: mining, industrial, construction, and agriculture.

Precise Light for Every Task

Ultimate customization for ultimate safety. The Model 4417 LED Work Light is compact and customizable to fit your vehicle's needs. In professions such as agriculture, mining, industrial operations, and construction, consistent and high quality lighting is vital for ensuring both worker safety and productivity.

These environments present unique challenges, including unpredictable weather patterns and the rigorous demands of heavy equipment use. Reliable lighting becomes indispensable in such conditions.
