# MODEL 526 LED WORK LIGHT

## COMPACT. VERSATILE. BOLD.

Dynamic and bright, the Model 526 LED Work Light is available in numerous configurations to accommodate countless vehicles. Available in our traditional flood, trapezoid, and spot beam patterns, as well as innovative new Anti-Glare and Dual White beam patterns.

Whereas conventional mining haul truck lights create unsafe glare which can blind oncoming vehicles, and angling them down impairs their effectiveness, the Model 526 Anti-Glare beam pattern is engineered to maximize visibility without blinding oncoming vehicles.

Built to adapt to the worksite, the Model 526 Dual White Anti-Glare beam pattern toggles between a standard white, for bright visibility, and a warm white, to cut through dust and fog.

Applications: Automotive, Off-Road 4x4, Agriculture, Construction, Industrial, Material Handling, Mining, Railroad, Specialty Vehicles, and Truck & Bus.

### Yellow Housing & Polycarbonate Lens

Part No.	Description
1300571	24V LED Work Light with Dual White Anti-Glare Beam Pattern
1300201	12-24V LED Work Light with Flood Beam Pattern
1300191	12-24V LED Work Light with Anti-Glare Beam Pattern
1300221	12-24V LED Work Light with Spot Beam Pattern
1300211	12-24V LED Work Light with Trapezoid Beam Pattern

### Yellow Housing & Glass Lens

Part No.	Description
1300211	12-24V LED Work Light with Flood Beam Pattern
1300051	12-24V LED Work Light with Anti-Glare Beam Pattern
1300081	12-24V LED Work Light with Spot Beam Pattern
1300071	12-24V LED Work Light with Trapezoid Beam Pattern

### Model 526 LED Work Light

6" x 6" LED Work Light

Sold as single lights

- Choice of Black or Yellow Housing
- Choice of durable glass or polycarbonate lens
- High-powered LEDs to outlast stock lights
- Compact and easy to install
- Illuminating beam patterns available in: Spot, Flood, Trapezoid, Anti-Glare, and Dual White
- Sleek design; weather-proof; excellent thermal management
- Input voltage ranges: 12-24V, suitable for various types of applications
- Sealed with IP69K
- Die-cast aluminum housing that is sealed to IP69K

### Black Housing & Polycarbonate Lens

Part No.	Description
1300641	24V LED Work Light with Dual White Anti-Glare Beam Pattern
1300431	12-24V LED Work Light with Flood Beam Pattern
1300441	12-24V LED Work Light with Spot Beam Pattern
1300451	12-24V LED Work Light with Trapezoid Beam Pattern
1300483	12-24V LED Work Light with Trapezoid Beam Pattern - 2 Light Kit
1300461	12-24V LED Work Light with Anti-Glare Beam Pattern
1300581	24V LED Work Light with Flood Beam Pattern
1300591	24V LED Work Light with Trapezoid Beam Pattern
1300601	24V LED Work Light with Anti-Glare Beam Pattern
