

8700 EVOLUTION 3

Putting the "Power" in Powerhouse.

The 8700 EVO 3 is a 5-in-1 headlight that has state-of-the-art optics and technology that provides a crisp beam with a wider, more even pattern.

Built with five functions packed into one Heavy Duty Truck LED Headlight: High Beam, Low Beam, Turn Signal, Daytime Running Light (DRL), and Front Position. Powerful LEDs & precisely engineered light patterns give you the best visibility for the best driving experience.

Stay safe all year round.

Keep headlights free of snow and ice with the heated lens versions of the 8700 EVO 3. Built-in **SmartHeat®** technology de-ices lenses for the best safety and visibility in any condition.

Model 8700 EVO 3 headlights are available at your authorized J.W. Speaker dealer. For more information & technical specifications, go to www.jwspeaker.com

MODEL 8700 EVO 3

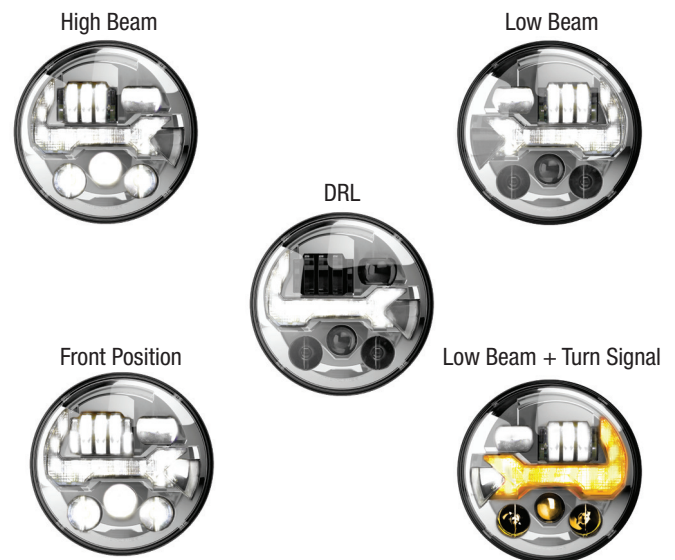

Durable. Dependable. Stunning.

The 8700 EVO 3 headlights are the definition of heavy-duty. Designed to withstand shock and vibration, these headlights outlast and outshine basic stock lights.

Specifically designed for over the road trucks, heavy-duty trucks, refuse trucks, and easily retrofits any 7" round halogen headlight.

High Beam: Dual Burn® for both widespread long-distance visibility
Low Beam: Brilliant short-range illumination
Daytime Running Light: Eye-catching visibility for daytime driving
Turn Signal: Amber LEDs stand out against white for clear indications
Front Position: Emit brilliant white LED light for maximum visibility

- DOT & ECE compliant headlights with built-in turn signal & Dual Burn® high beam for legal on-road use
- SmartHeat® heated lens option
- Kit of 2 headlights + harnesses and single headlights for plug & play installation
