INSTALLATION INSTRUCTIONS:

BEFORE BEGINNING: J.W. Speaker's Model 892 LED Compact Work Light is intended for the agriculture, construction, & mining markets.

1. First mount light to the vehicle. Insert the mounting bolt (#2) through the bracket and desired location on vehicle. Add washer (#4) to the bolt, then tighten a hex nut (#5) to the bolt.
2. Take the screw cap (#7) and thread through the mounting bracket on the Model 892 LED Compact Work Light and tighten with the hex locknut (#6) onto the screw cap.
3. Plug in the provided wire harness (#8) into the back of the light.
4. Test to make sure the light is working.
5. Aim Model 892 LED Work Light as desired.
