

# MODEL 90 LED HEADLIGHT KIT

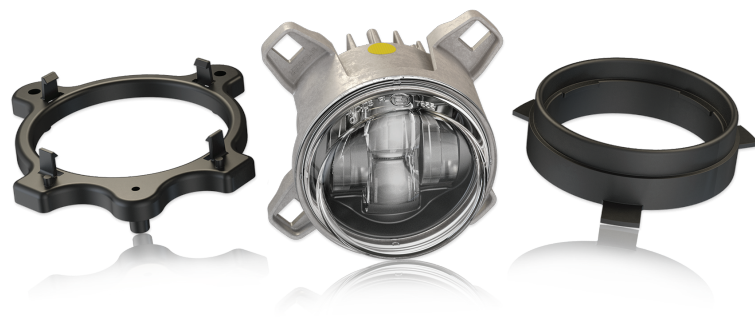

## FOR JOHN DEERE 6R, 7R & 8R SERIES TRACTORS

### Powerful LED headlight retrofit for John Deere

The Model 90 kit includes two lights and mounting hardware for plug & play installations. Of particular note, the Model 90 offers a DOT-compliant symmetrical low beam pattern that enhances visibility for farming, as well as on-highway driving.

There is one part number for the kit, comprising two low beam headlights, mounting boot and bucket for each light, and installation instructions.

The Model 90 LED headlights are available now at your authorized J.W. Speaker dealer. For more information & technical specifications, go to [www.jwspeaker.com](http://www.jwspeaker.com)

# MODEL 90 JOHN DEERE LED HEADLIGHT RETROFIT KIT

**Model 90 headlights** leverage J.W. Speaker's solid optics technology to deliver a precise engineered beam pattern that is not only street-legal, but also twice as intense as the current light used in John Deere tractors.

The Model 90 retrofit headlight kit offers a best-in-class forward-lighting solution for John Deere tractors. In addition

to delivering high performance lighting where it's needed most during farming, J.W. Speaker's Model 90 kit provides a DOT compliant beam pattern that makes it legal for on-road use.

**Model 90 LED Headlights are ECE and DOT compliant.** Street-legal beam pattern complements the existing tractor headlight; unit is Regulation 113 Class D compliant.

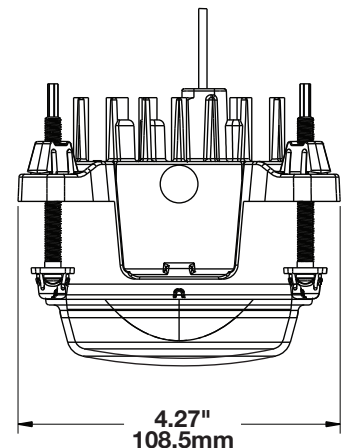

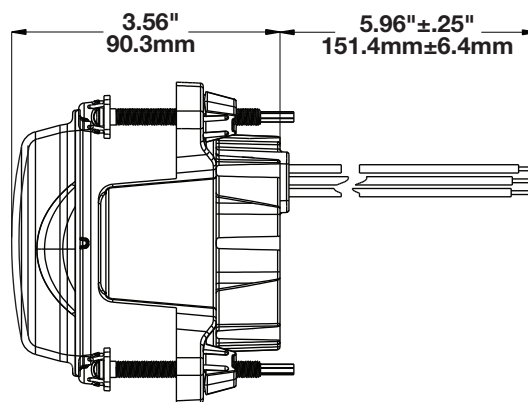

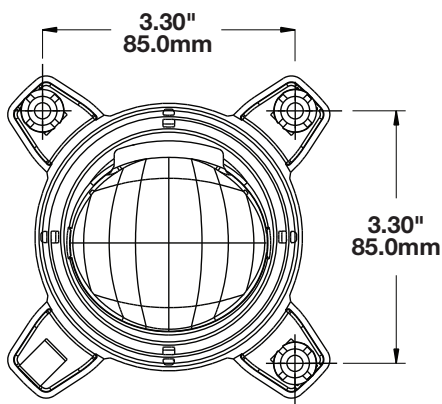

## Model 90 LED Headlight

12-24V DC system operates in 10-31V DC.

Part No.	Description
0553053	12-24V DOT/ECE LED Low Beam Headlight (for John Deere 6R, 7R & 8R Series Tractors) - 2 Light Kit
