MODEL 785

The best all-around light available

A better light for your business

- Increased profitability** Higher net, higher margins
- Less work** One Model 785 sale provides the net of 8 bulb sales
- Less inventory to carry** One light replaces three SKUs
- A stronger reputation** when you carry the best
- Increased customer satisfaction** when you give them the best

A better light for your customers

- Increased safety** at dark worksites
- Better visibility** Brighter, whiter output using less power
- Focused light** Lens optics place light where it's needed
- Reduced fatigue** from daylight color and decreased eyestrain
- Reliable operation** Rugged LEDs withstand vibration and abuse
- Higher productivity** No more downtime due to burned-out bulbs
- Better value** through a lower cost of ownership

Model 785 LED Work Light
