

8700 EVOLUTION 2

THE WORLD'S BEST LED HEADLIGHT JUST GOT BETTER

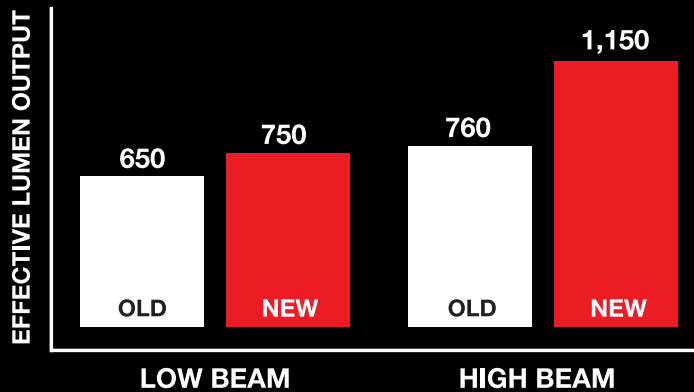

DOT-Compliant LED Headlights

J.W. SPEAKER®
Engineered. Lighting. Solutions.

THE NEXT EVOLUTION IS HERE

MORE POWERFUL

You spoke and we listened. Customers asked us to increase the output of our headlights and we've delivered! Effective Lumen output on the Model 8700 Evolution 2 has increased by more than 50%!

Street-Legal. Made in the USA.

LIGHT IN ALL THE RIGHT PLACES

The Model 8700 Evolution 2 features enhanced beam patterns for superior performance. The innovative new ComfortLite™ high beam delivers additional illumination above the horizon as well as a more powerful punch down the road. Drive behind these DOT-compliant LED headlights, and you will never use another headlight again!

RETAIL (USD)

LOWER PRICE, GREATER VALUE

We're excited about the improved performance that the Model 8700 Evolution 2 provides, but we think you'll love the fact that they are now priced more competitively. Lower prices. Greater value. That's what J.W. Speaker's LED products are all about.

THERE'S NEVER BEEN A BETTER TIME TO UPGRADE YOUR HEADLIGHTS!
